It's Not Too Late to Be Counted

Statement of Congressman Danny K. Davis

July 23, 2010

Have you been counted in the 2010 Census? It's not too late. Until July 30th, the Census has a tollfree hotline to call if you or members of your family have not been counted through the mail or personal contact. Please call 1-866-872-6868 and get counted.

African Americans and other minorities are more likely to be undercounted, which means our communities miss out on the benefits we should receive. Every person counted equals an estimated \$1,200 in federal funds to our communities for schools, roads, and hospitals.

Make sure you've been counted. Call the Census Bureau today at 1-866-872-6868.
