

Congressman Danny K. Davis's Small Business Summit & Expo

Entrepreneurs and small firms create the jobs and develop the ideas that our economy needs to regain its footing. However, this innovation is not easy. The business world is complex and constantly presents new challenges. To facilitate the growth and development of local small businesses, Rep. Davis is hosting a Small Business Summit and Expo on Monday, December 12, 2011.

The event is free and space is limited.
