The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **Village of River Forest Lead Service Line Replacement Program** project in fiscal year 2025. The entity to receive funding for this project is the Village of River Forest, located at 400 Park Ave. River Forest, IL 60305. The funding would be used to improve the drinking water infrastructure and facilitate compliance with safe drinking water standards by replacing lead service lines with copper service lines within the Village's water distribution system. The project is an appropriate use of taxpayer funds because it improves water safety for residents of the Village by removing harmful lead material from the water distribution system.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis
Member of Congress
