The Honorable Rosa DeLauro  
Ranking Member  
Appropriations Committee  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the **Village of Bellwood Drinking Water Improvement Program** project in fiscal year 2024. The entity to receive funding for this project is the Village of Bellwood, located at 3200 Washington Boulevard, Bellwood, IL 60104. The funding would be used to improve the drinking water infrastructure by replacing sections of failing water main within the Village's water distribution system. The project is an appropriate use of taxpayer funds because it will improve the water safety and water availability as well as stabilize the water distribution system for residents.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis  
Member of Congress
