The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **Village of Broadview Water System Improvements** project in fiscal year 2027. The entity to receive funding for this project is the Village of Broadview, located at 2350 S. 25th Avenue, Broadview, IL 60155. The funding would be used to improve the drinking water infrastructure by replacing lead service lines within the Village's water distribution system. The project is an appropriate use of taxpayer funds because it will modernize critical drinking water infrastructure, eliminate lead service lines, and enhance the long-term safety and resilience of the Village of Broadview's water distribution system

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis
Member of Congress
