The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **Maywood Public Safety Technology Enhancement Initiative** project in fiscal year 2027. The entity to receive funding for this project is the Village of Maywood, located at 40 Madison Street, Maywood, IL 60153. The funding would be used to modernize critical public safety technology focused on training, communications, transparency and accountability, and unmanned technology to assist in law enforcement responses. Upgrading police technology is a valuable use of taxpayer funds because it will enhance public safety, strengthen officer training, improve emergency responses, and increase public trust and accountability.

The project has a Federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis
Member of Congress
