The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **North Riverside Police Technology Enhancements** project in fiscal year 2027. The entity to receive funding for this project is the Village of North Riverside, located at 2401 S. DesPlaines Avenue, North Riverside, IL 60546. The purpose of this project is to modernize critical public safety technology focused on communications, training, community monitoring, and unmanned technology to assist in law enforcement responses. Upgrading police technology is an appropriate use of taxpayer funds because it will enhance public safety, strengthen officer training, improve emergency responses and operational efficiency, and increase public trust and accountability.

The project has a Federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis
Member of Congress
