The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **Clybourn and Larrabee Redevelopment project** in fiscal year 2027. The entity to receive funding for this project is the Chicago Housing Authority, located at 60 E. Van Buren St., Chicago, IL 60605. The funding would be used for the initial phase of redeveloping currently-vacant land within the former Cabrini Green neighborhood into 121 new mixed-income rental units. Providing much-needed public housing and market-rate units to the community is an appropriate use of taxpayer funds because it will help address the housing shortage in Chicago and allow moderate- and low-income households to increase their housing security and economic stability while living in an in-demand area of Chicago typically accessible only to high-income households

The project has a Federal nexus because the funding provided is for purposes authorized for community development by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis
Member of Congress
