The Honorable Rosa DeLauro
Ranking Member
Appropriations Committee
U.S. House of Representatives
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **ACCESS Madison Family Health Center Modernization** project in fiscal year 2027. The entity to receive funding for this project is Access Community Health Network located at 600 W. Fulton Street, Suite 300, Chicago, IL 60661. The purpose of this project is to modernize ACCESS Madison Family Health Center by upgrading clinical space, laboratories, and building systems. Increasing the Center's daily patient capacity, reducing wait times, and enabling more comprehensive diagnostic services on-site is an appropriate use of taxpayer funds because it expands the community's access to quality, affordable medical services where they are needed most, improving chronic disease management for low-income residents, reducing costly emergency room utilization at area hospitals, and lowering long-term public healthcare expenditures.

The project has a Federal nexus because the funding provided is for purposes authorized under the Public Health Services Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Danny K. Davis
Member of Congress
